Minutes

1) Call to Order

Mansfield Downtown Partnership Board President Steve Bacon called the meeting to order at 6:05 pm.

2) Public Comment

There was no public comment.

3) Approval of changes to business supporter dues

Steve Bacon said the Partnership Board's Growth Task Force has been looking at ways to provide sustainable funding to the Partnership. The Task Force reviewed and suggested various options to the Partnership Board including revising membership/supporter dues.

Since the business membership structure was put in place in 2002, dues have remained at \$50 a year. The Growth Task Force has recommended that the dues be increased to \$100 a year.

The Bylaws require the Partnership membership to approve any changes to supporter dues structures.

Mr. Bacon asked for a motion to adopt a revised business supporter dues structure with business dues starting at \$100 per year. Bonnie Kumiega made this motion. The motion was seconded by Diana Pelletier. The motion was approved.

Mr. Bacon thanked the members present.

4) Adjourn

The meeting adjourned at 6:07 pm.
